

My Quinnipiac Basketball Years

My basketball journey continued at **Quinnipiac College**, where I played from 1970–1974. Those years brought some of the greatest moments of my playing career, including being part of a championship team that made school history—and gave me teammates and memories that have stayed with me for a lifetime.

“My greatest game at Quinnipiac wasn't just because I scored 31 points. It was how I scored them. I was a perfect **13-for-13 from the floor and 5-for-5 from the foul line.** I didn't miss a single shot the entire game. 31 points. 18 shots. 18 makes. No misses. For me, it was the **Perfect Game.”**
